NEW YORK CITY—In the **most recent** episode of the **Knakal News Network**, **Massey Knakal** chairman **Robert Knakal** looks at second quarter **investment sales** for the city and reports that things are going quite well. And while the second quarter might not be quite as strong as the first, Knakal still sees a record possible for the year.

In the video, he looks at:

- Which sectors are leading overall,
- Where the extra inventory is coming from,
- How the last four quarters stack up historically, and
- What impact the midterm elections may have.
